16th February 2024

Dear Families

As we approach the half term holiday it always provides time for reflection on what we have learnt and achieved in this half term.

We have had some very exciting events planned and this is down to the hard work, creativity and commitment of our dedicated staff. I am extremely proud of them all.

Our school would be nothing without your fantastic children and, once again, I would like to express my gratitude to all our families for your support with all the visits, events, and special days we hold in school.

For those of you who were able to attend our Sharing Celebration Assemblies, my Learn More sessions and for those who came into school to hear readers I thank you immensely for giving up your time.

We will always strive to do the best for our pupils in lessons and around the school. The now established School Culture of:

We are Collaborative

We are Purposeful

We are Respectful

This has had a massive impact on our school improvement this year! It is wonderful to hear the children use these phrases as they work and play. We still have half of the academic year left and we are fully aware that there is still so much learning to take place. Staff are already thinking of more learning opportunities that will enhance your child's education.

Finally, I would like to wish you all a peaceful and restful half term holiday and we look forward to seeing you all on Monday 26th February!

Kind regards

Simon Lea
