Dear Parents

Suffolk Show – Box garden

We are pleased to tell you that we have been selected to design and create a box garden for the Suffolk Show this May. Over the holidays we are sending every child home with a pot containing a seed to nurture over the holidays and bring back after Easter. These will form part of our box design.

In addition to this they will have a chance to design their own Olympic themed box garden. Attached to this sheet is a design sheet. We would encourage every child to create a picture of their own Olympic themed garden box (it is 1.5 m x 1.5 m). They can label or add a list of plants they would like to use. The best designs will become part of the scrap book that will be on display at the show.

After Easter, children will be asked if they would like to join in creating the Garden box and will also have the opportunity to come to the Suffolk show for the judging of our garden box. There will be more information on this next term.

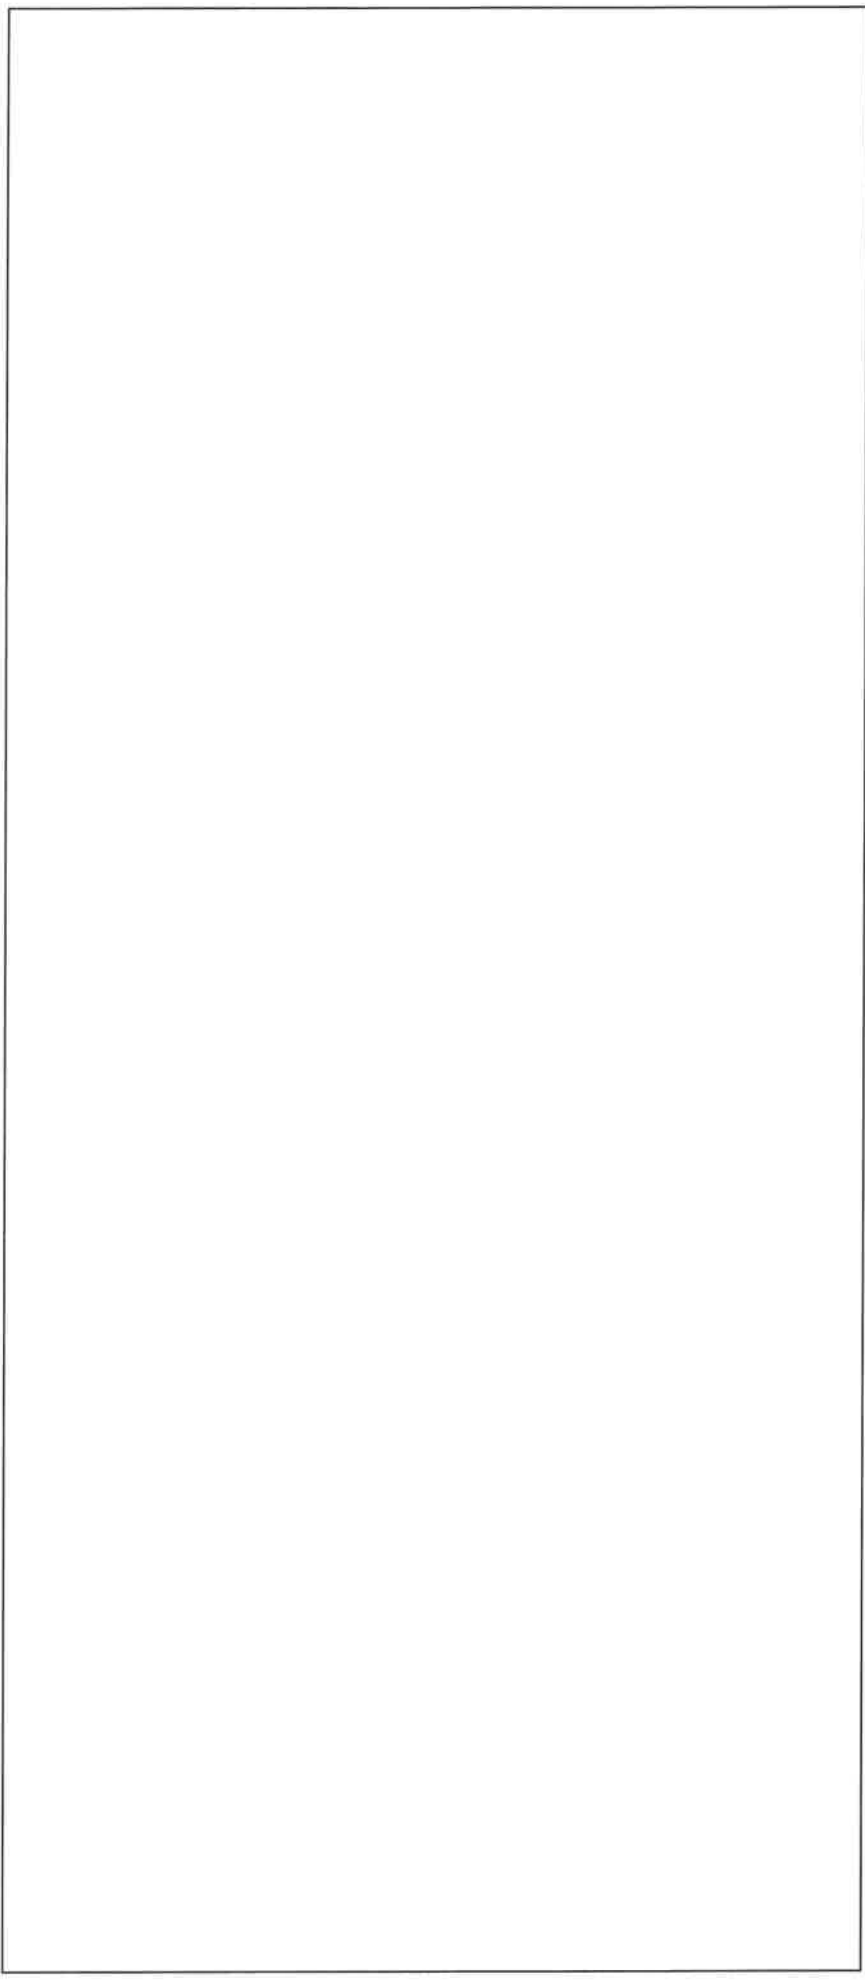

We all look forward to seeing your fantastic designs after the Easter holidays.

Kind regards,

Mrs Deborah Peach

Small Schools – Huge Ambitions

Design an Olympic themed garden. Add a list of any plants or props you would like to use on the back. You can also label your picture.

A large, empty rectangular box with a thin black border, intended for a drawing of an Olympic-themed garden. The box is oriented vertically on the page.
