

Years 1 and 2 Learning Plan – Spring Term

English		Maths	Science	Geography
In English we will be learning the features of persuasive writing before moving on to write comical poems. Ending the term by researching and writing fact files about animals.		Maths topics this term are addition and subtraction- looking at two-digit numbers and multiplication and division. We then complete the term by learning about length and height.	In Science we are learning about what animals, including humans, need to survive and stay healthy. Then after half term, we move on to find out about the different categories of animals.	In Geography we will be finding out the continents and oceans and comparing the UK to a very different part of the world. (Ecuador.) We then focus on the location, climate and adaptations of the rain forests.
<u>Art</u>	<u>D.T.</u>	Computing	R.S.H.E.	R.E.
We will be using paint and collage to represent animals and the environment.	We will be looking at different materials and Designing animal homes	This term we will be looking at programming, learning to use buttons to move an object. The children will then move a robot through a planned route. In the second half of the term, we will look at digital writing where the children will consider the difference between computer text and written text.	This term we will be looking at the role of a trusted adult and how to be safe online.	The first half of this term is all about the Parables of Jesus and the special messages we can get from them. We then move on to learn about the Muslim traditions of Ramadan and Eid.
Music		Homework	P.E. Day	P.E.
In music we will consider how stories can be brought to life using music. Then after half term we are going to learn and perform songs about the weather.		Please read at home every day. There are also lists of common exception words available to practice at home.	PE in Pine Class is on a Thursday PE in Oak Class is on Thursday.	The first half term is dance where we will be basing our lessons on a zoo theme! Then we look at the fundamental skill of teamwork, through team games and sports.
