Dear Parent/Carer,

Uniform options

Dear Parent/Carer

Following a successful trial of the softer sensory uniform option during the Summer term we are pleased to confirm that we plan to continue this as an option into the new academic year. To ensure that the more relaxed approach still maintains a smarter appearance please note the following:

- Only school logos are acceptable
- 'Cuffed' trousers must only be worn as part of a PE kit
- ALL children require a separate PE kit
- Children at Mendham also require a pair of wellingtons and Early Years a pair of waterproof trousers.
- The school colours are royal blue for Mendham and Navy for St Edmunds.

Please find attached a graphic detailing acceptable clothing items for each element of the uniform styles.

For items of clothing with logos please remember our school uniform supplier is RetroAlley -

<https://retroalley.co.uk/product-category/school-uniforms/>

or alternative choices are either Brigade or School Trends:

<https://www.brigade.uk.com/parents/school>

<https://www.schooltrends.co.uk/uniform>

Deadline for ordering varies from supplier to supplier and whether you prefer delivery to school or direct to your home.

Kind regards

A handwritten signature in black ink, appearing to read 'Simon Lea'.
