September 2025

Dear Parents and Carers

Welcome back! We have a very exciting term ahead in Pine Class. The children have made a great start and are already learning the routines and joining in with our all our learning. Included in this newsletter is some important information you will need to know for this term...

Reading:

We will be sending reading book home daily. Your children should aim to read three times a week although, every day would be more beneficial for them. Fluent reading is the foundation for everything that we learn in school and makes a huge difference as children move up the school. Please record reading in their diaries and I will change books when they are finished. It is essential that reading folders come back to school everyday as we have parent readers to hear them daily and diaries are needed to record this in.

Outdoor learning & P.E:

Outdoor learning will take place every Tuesday with Mrs Chamberlain. Please refer to the previous letter about what kit is required or contact Mrs Chamberlain directly. P.E kit will be needed every Wednesday, but it is helpful if it could be available in school all week in case of timetable changes.

Finally, a request! Please clearly name label all items!

Kind regards

Molly Ball
