

# Juniper Class Newsletter Autumn 2

Dear Parents and Carers,

Juniper class having been working really hard for the last few weeks to learn their timetables. We have been learning all about multiplication and division in maths too. What amazing progress they have made. We have made arrays, fact families and looked at grouping and sharing!

In DT we have been creating circuits with graphite pencils and lighting up LEDs. We are now looking at putting our circuits into some Christmas card designs that will light up. We have created some excellent Christmassy designs.

## Dates to Remember

18 Nov - Roman Workshop

21 Nov - Thetford Forest

4th Dec - Harleston Library Visit

Remember that its important to read at least 3 times a week & Don't forget to practice your times-tables on Times Table Rockstars

*P.E. is every Wednesday & Friday*
