

Here you can see a round up of characteristics for pupils in our school from learning Pi

Imaginative and Creative

Children in Seedling class have been using their imaginations to create structures using blocks

Independent learner

Pine class have been writing independent pieces of writing using a set of instructions about how to catch a creature of our choice.

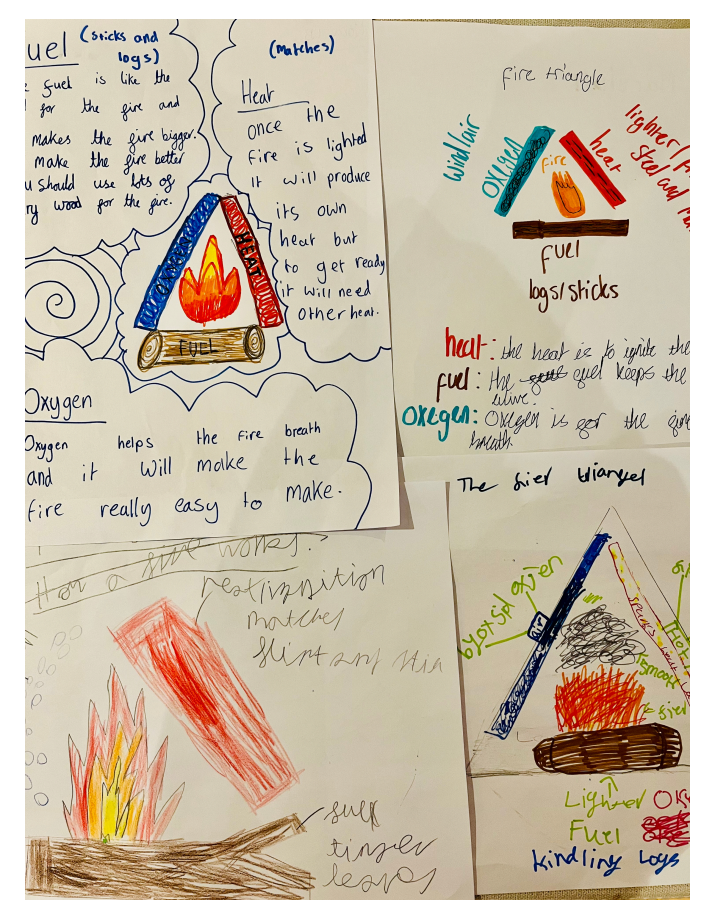

Curious

Sycamore class have been curious looking at light refraction in their science work

Collabrative

Juniper class looked at the key elements required for having a successful fire in ODL.

You can download *Learning Pi* to see activities your child has done at our school
