Dear Parent / Carer

Year 5 Science Morning Wednesday 11th March 2026

We are very excited to be able to invite your child to spend a morning with us, in the science department, at Stradbroke High School on Wednesday 11th March.

During their time with us, we will guide them through some science activities and give them the opportunity to meet new friends and teachers. The morning's activities include varied science sessions which are designed to give pupils opportunities to work collaboratively and use some of our specialist equipment. These lessons will be themed around the National Science Week theme of 'curiosity'.

The plan for the morning will be as follows:

- Year 5 pupils arrive at 9.20 am to be welcomed by our fantastic science team.
- The pupils will be put into groups and experience a range of practical activities in a science lab.
- Pupils will need to bring a **pen and pencil** to participate in lessons.
- Pupils can bring £1 for a snack at break time if they wish. Please indicate this on the reply slip.
- Pupils will need to bring their own drinks bottle, which can be refilled from the water machine.
- Pupils will finish their activities at midday. A free school lunch will be provided for them, unless they wish to bring their own packed lunch. Please inform us of the choice for their lunch and any dietary requirements on the reply slip.
- Pupils will need to be collected at 12.30pm and returned to their school.

We hope that the day will give the pupils a little taster of secondary science lessons and help to answer any questions they may have about the school. Our science teachers are really looking forward to meeting all the pupils and helping with their transition from primary school.

If you have any questions or queries, please do not hesitate to contact me at the school.

Please would you return the reply slip to your primary school by Wednesday 4th March.

Please note – it is essential that we have all returns by this date for preparation and health and safety purposes. *Pupils arriving who have not returned their slip by this date will unfortunately be turned away.*

Yours sincerely

Mrs Sarah Seeman
Deputy Headteacher

Stradbroke High School Year 5 Science Morning –Wednesday 11th March 2026

Pupil Name _____

Primary School _____

Please tick if your child will be bringing £1 to purchase a snack
