Mrs Jones pulled rank and Mr Norfolk is not allowed a camera and to use his ipad and use the main camera on trips.

It was decided that we will do icecreams every other week when it's not assembly. Price increased to £1.50. Sumup will be advertised.

Icecreams will be sold at fathers day, ice cream free for dads if they buy one for the children

Sports day:- Julie to check if the freezer and oven are available for sports day.

(Yes they are. Freezer is in the black shed and we can use the oven)

We will sell the leftover hotdogs at £3.00. Normal tea, coffee, squash and cakes.

Year 5-6 to do stalls again. We do have ideas if they need help. Or we will organise and they help. Guess the teacher's baby photo. Welly wang, treasure hunt, teddy adoption, hook a duck, tombola. Prizes will be brought by FoMSA. Mrs Jones has this in hand.

Wrong trouser day is a no go as too much is going on that day but we are going to have a PJ/leisure wear day 5th June £2.00 to wear.

Performance 6th & 7th July sell popcorn in paper cups and icecreams in the evening and just icecream @ the afternoon.

The school clothes bin with any luck should be here soon. Julie has asked on many occasions but has not yet had a delivery date. The expected date has been and gone. A poster will be made as soon as we know when to inform parents.

School uniforms will be brought out more at events. Do a restock now for next summer slogan, get it out at the performance and generally whenever we can. It will then be sorted through and a majority will be given to the lady at the Swan in Harleston. Bex is to put up on the parent page our school label supplier so hopefully more parents will buy the labels and we will then get a percentage and less lost property.

A FoMSA planned day out was discussed. Where we organise it and then people pay us. As to what yet we are not sure.

Rachael said that she would not mind sorting out a quiz and Bex has said she will help. We are looking at after September as it's always a big earner.

Next Meeting after school 11th June 3.15 pm.
