Words ending in –s, es, longer words, root words ending in –ing, –ed, and est. Tricky words – Review all words taught so far. Secure spelling.
Literacy - Writing	Handwriting There is a clearly sequenced progression in handwriting and is developmentally appropriate to the individual child. Letter formation will be taught in discrete lessons as well as introduced when the phonic sound is being taught. Gross and fine motor skills are developed first so that children can control their movements, and their proprioception skills have developed. The patterns of letters will be taught large scale using various mark making tools first so that children's cognitive overload is less. The writing framework is used as a guide and teaching of writing is based on research					

	Nursery To build muscle memory needed for forming letters. To strengthen core and upper body muscles To strengthen hand and finger muscles and dexterity To use different tools to mark make on a large scale Forms simple shapes (circle, line, cross) Imitates simple patterns when modelled Shows improved hand eye coordination To begin to assign meaning to some of the marks they make		Nursery To build muscle memory needed for forming letters. To strengthen core and upper body muscles To strengthen hand and finger muscles and dexterity To use different tools to mark make on a large scale Uses more controlled movements Begins to assign meaning to marks Draws circles and crosses with increasing accuracy To assign meaning to the marks they make		Nursery To build muscle memory needed for forming letters. To strengthen core and upper body muscles To strengthen hand and finger muscles and dexterity To use different tools to mark make on different scales Copies simple shapes confidently Shows readiness for more complex forms Beins to control directionality (top to bottom, left to right) To use some of their print and letter knowledge in their early writing. For example: writing a pretend shopping list that starts at the top of the page; writing 'm' for mummy.	
	Reception Gives meaning to their drawings and paintings Starts to develop phonic knowledge by linking sounds to letters,	Reception Gives meaning to the marks they make as they draw, write, paint and type using a keyboard or touch-screen technology	Reception Developing the ability to segment the sounds in words and blend them together, using the sounds taught.	Reception Continues to develop phonic knowledge by linking sounds to letters, naming and sounding the letters taught in phonics	Reception Continues to develop phonic knowledge by linking sounds to letters, naming and sounding the letters taught in phonics	Reception ELG: Writing Children at the expected level of development will: - Write recognisable letters, most of which are

	naming and sounding the letters taught in phonics Large scale letter formation patterns using variety of mark making tools Recognise their name and the shape of the letters.	Begins to break the flow of speech into words, to hear and say the initial sound in words and may start to segment the sounds in words and blend them together, using the sounds taught. Starts to develop phonic knowledge by linking sounds to letters, naming and sounding the letters taught in phonics	Continues to develop phonic knowledge by linking sounds to letters, naming and sounding the letters taught in phonics To write simple phonetically plausible words. To write simple phrases such as 'The red bus.' Learn to spell I to Letter formation	Start to write simple sentences and phrases and begin to use full stops and finger spaces. Letter formation	To write sentences that can be read by others. Letter formation	correctly formed; - Spell words by identifying sounds in them and representing the sounds with a letter or letters; - Write simple phrases and sentences that can be read by others.
Maths	Continuous Provision <i>Daily routine</i> - Days, date, weather, months, seasons, birthdays, special occasions. Counting children attending. Timetables.

	Fine					

	Fine motor skills are assessed termly and activities are planned to match the child's level of development. Activities are provided daily matched to the child's need but fine motor skills are also incorporated through the continuous provision and enhancements. It is also linked to the development of writing through Reception.					
Personal, Social and emotional development	Self-Regulation: Children at the expected level of development will: • Show an understanding of their own feelings and those of others and begin to regulate their behaviour accordingly. • Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate. • Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.					
	Colour monster Express their feelings and consider the feelings of others	Colour monster Identify and moderate their own feelings socially and emotionally	Colour monster Develop strategies to help regulate behaviour (Zones of regulation)	Follow 3 part instructions focus	Whole class games that involve waiting and controlling immediate impulses. Simon says Duck Duck Goose Musical Statues	Follow instructions involving several ideas or actions
	See themselves as a valuable individual.	Follow 2 part instructions focus				
	Managing Self: Children at the expected level of development will: • Be confident to try new activities and show independence, resilience and perseverance in the face of challenge. 13 • Explain the reasons for rules, know right from wrong and try to behave accordingly. • Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices					
	Personal hygiene	Know and talk about the different factors	Understand that we need to show resilience and		Be confident to try new activities (sports day)	Understand why rules are in place.

	Know and talk about the different factors that support their overall health and wellbeing: • regular physical activity • healthy eating • toothbrushing •	that support their overall health and wellbeing: • being a safe pedestrian Rules and expectations	perseverance in the face of challenge (explorers)			
	Building Relationships: Children at the expected level of development will: • Work and play cooperatively and take turns with others. • Form positive attachments to adults and friendships with peers. • Show sensitivity to their own and to others' needs.					
	Build constructive and respectful relationships.		To be able to work together (explorers)			
The World Links to KS1/2 topics History Explorers Prehistoric Space	Past and present Show interest in the lives of people who are familiar with them. Talk about members of their immediate family and		To talk about an explorer from the past Who were they? What did they do? When did they live? What skills did they show? To recognise that things	To be able to talk about people who have been into Space or landed on the moon. (Ogden science – Look up!) Ogden science – Astro girl	To understand that dinosaurs lived a long time ago.	To identify how beach holidays have changed over time. To use photos and videos to identify changes.

	community.		happened before they were born.			
Links to KS1/2 topics Geography Paddington The Deep It's a small world	People, Culture and Communities Know that other children do not always enjoy the same things, and are sensitive to this	To describe their own local area and where they live. To draw simple maps/ representations of their house or school. To understand that people have different celebrations	To recognise that there are other countries and communities in the world. To recognise similarities and differences between the countries			To describe contrasting areas. To draw maps to represent familiar places in stories. To read stories from different cultures
Links to KS1/2 topics Science Paddington The Deep Prehistoric Disease Elements (Geog) Space Mummies and Tombs	The Natural World Ogden trust - Elmer the elephant Year A	To identify the changes around them in Autumn. Describe what they see, hear and feel whilst outside Ogden Trust Science – Peace at last (Year B)	To identify the changes around them in Winter. To identify features of the environments. To understand how things melt Ogden trust – The wheels on the Tuk Tuk (Year B)	To identify the changes around them in Spring. To observe and interact with natural processes, such as light travelling through transparent material or an object casting a shadow	To identify that animals live in different habitats (homes) To understand the changes that frog/butterfly goes through and use the term lifecycle. To understand that living things have different diets.	To identify the changes around them in Summer. To use geographical vocabulary to describe features. To understand how things melt

				To understand that space is all around them. To understand that in Space there are the stars, the moon and the sun.		
Expressive Arts and Design Links to KS1/2 topics Art/DT Paddington Explorers Prehistoric It's a small world The Great outdoors Space Mummies and Tombs	Creating with Materials: To show different emotions in their drawings and paintings- Nursery To explore, use and refine a variety of artistic effects to express their ideas and feelings. – collage, paint, pens- Reception To draw a face with increasing	Create collaboratively, sharing ideas, resources and skills. (Building homes,) To join different materials and explore different textures. (junk modelling) (Ogden Science – 3 Little Pigs) Year A Year B – Ogden trust science The Three Billy Goats Gruff	Landscapes To learn how to mix 2 primary colours to make new colour- Nursery To develop their colour-mixing techniques to enable them to match the colours they see and want to represent, with step-by-step guidance when appropriate- Reception	Create collaboratively, sharing ideas, resources and skills To join different materials Year A (rockets) (Ogden Science – Astro girl) Design and make their own parachute using a variety of media materials, Year B (capsule landings)	To use different techniques and media creatively to represent own ideas To use clay to create own models	To use paint mixing techniques to create own seascape/river scene (Ogden Science – My Ocean is blue) To look at works from famous artists and discuss Year A Hokusai – Great Wave off Kanagawa Year B The riverbank by Claude Monet
