

Sycamore Class Newsletter

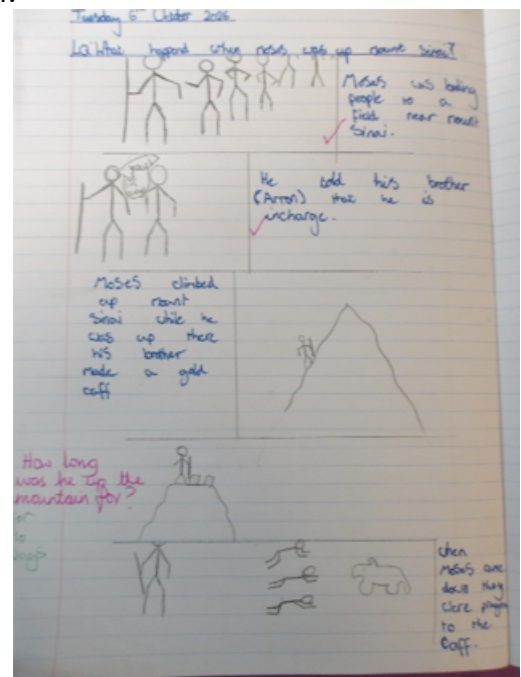

Autumn Term 1 : October 2026

Dear Parents and Carers,

After finishing their fabulous suspense narratives, Sycamore are now looking at how to write action/adventure stories. The pupils began by imagining they had become stranded in the Amazon jungle. We went outside and thought about how we might behave if we heard something in the bushes. Using freeze frames the pupils showed how they might react and what they might say to the unknown noise!

In R.E pupils have been learning all about Judaism and how 'Holy' can be represented within different religions. The pupils have been learning about the stories of Moses, the ten commandments, the burning bush and the golden calf.
