

MINUTES

Me, Rachael A, Nikki J, Kerri C, Lucy B, Becky B-G Nikki H

Money raised since last meeting. £2375.96 with £1700.00 of that from the parish council. We raised £675.96. Not included is the Asda cash pot at £82.87. Total of £758.83.

Quiz is still in the sorting process, hoping for the second week in March???? Watch this space.

Easter bingo is booked for the 4th April at the Wortwell Core. Alison is going to charge us £85.00 instead of a hundred as we are helping them out by leaving the tables and chairs up for their Bingo on that night. Need to be finished by 6pm. I have lots of books left and some dabbers I purchased before. Nikki J is going to ask Simon Lea if he will do bingo calling again. Non uniform day is going to be Wednesday 26th March for egg donation.

Mothers day Nikki J was sorting and it's in discussion that FoMSA can do bacon rolls for dads on fathers day on drop off, as in a previous year. (13th June)

Bags for school, Bex is looking into another supplier as Bags for school is not paying out much per kilo now. But planning for one after the Easter break.

Easier fundraising events have been talked about one being a pj day when weather has warmed up.

Rachael talked about swim bags. Was mentioned about Juie looking into them as had a new supplier contact her and hats for trips.

Minibus was mentioned and that is going to be our big money raising focus. Becky B-G may be able to help with this with the company she works for. Further discussion is needed to apply for grants and sponsorship. Bex is to apply for the blue tokens at Tesco for this as well. Somebody did mention a just giving page.

FoMSA has agreed to pay 50% of the bikeability cost for Sepetmbers year 6s for the total of £90.00.

Wonderlicious Bars (wonka golden ticket) We have agreed that this is a good idea and doing it for world book day after school March 6th. We are purchasing 200 wrappers, 100 to use on the first event and then save some for another possibly Sports Day. Bex contacted Craig from Jim's ice cream (he has access to the wholesalers) is either going to collect these for us or if he hasn't the time give me his card so I can go get them. He is getting 4 boxes of 24 for us. (96) which we can then get dairy free chocolate as well. It was mentioned that the tables go into classes and buy them after school. Initial outlay will be approx £130.00. Selling the bars at either £2.00 or £2.50 each. The golden tickets inside will have school related prizes on them such as first in the dinner line or one free birthday table even if it's not your birthday. Becky B-G

said she would do the list. Instead of purchasing the golden tickets to put in the wrappers we are going to do our own.

Bex is now in the process of sorting out the Tesco Blue tokens to help raise money for the minibus fund.

Soon the school will be delivered a printer ink recycling box. A poster will be sorted so that it can be displayed and posted on social media so that families and office people can start to save theirs and bring into school as we will get so much back per one. This does include photocopier ones. Sorting out a battery one is all so in the pipeline. But Bex is just finding the best one for the school.

Next Meeting 14th March
